Authorization and representation

I understand and agree that coverage, if approved, will commence in accordance with section E on page 2. I have included payment with this application. For administrative convenience, Blue Cross will deposit in a bank any payment I submit with this application, but such deposit shall not constitute an approval of this application or issuance of coverage. If this application is rejected, any money submitted will be refunded to me. When I provide a check as payment, I authorize Blue Cross either to use information from my check to make a one-time electronic fund transfer from my account or to process the payment as a check transaction. When Blue Cross uses information from my check to make an electronic fund transfer, funds may be withdrawn from my account as soon as the same day Blue Cross receives my payment and I will not receive my check back from my financial institution.

I understand if Blue Cross approves this application, coverage will be provided under an individual contract. I understand that Blue Cross does not issue individual coverage through any arrangement with an employer. Blue Cross is not responsible for any action taken by an employer that results in this coverage being considered group coverage under state or federal law. The employer is solely responsible for any such finding.

In order to process this application, Blue Cross may collect personal information regarding my health history and motor vehicle driving records from persons other than myself. The information collected by Blue Cross or Blue Cross authorized agents may in certain circumstances be disclosed to third parties without authorization. I have the right to see my personal records that are maintained by Blue Cross and to correct personal information Blue Cross has collected about me. Upon my request, Blue Cross will furnish a more detailed notice of Blue Cross information practices. The sole purpose for collecting this information is to underwrite this application for coverage.

I hereby authorize and request any hospital, clinic, institution, physician, pharmacy and pharmacy related service organizations or other persons to furnish Blue Cross full details of diagnosis, treatment, medical history, pharmaceutical records and any other information and conclusions about me and to accept as valid a photocopy of this authorization and my signature. Blue Cross needs this information to process claims, conduct utilization review and quality improvement activities, and for other health plan activities as permitted by law. Blue Cross keeps this information confidential, but may release it if you authorize release, or if state or federal law permits or requires release without authorization. For claims purposes, this release is valid while you are enrolled in this health plan and until all claims are adjudicated following your termination of coverage. For purposes of obtaining information in connection with this application, reinstatement, or change in policy benefits, this release is valid up to 26 months from the date you sign this application. You are entitled to receive a copy of this release. I acknowledge I must answer all questions in the application, even if the applicant currently has coverage or had prior coverage with Blue Cross.

I understand and agree that payment of a claim does not preclude the right of Blue Cross to deny future claims or take any action it determines appropriate, including rescission of the contract and seeking repayment of claims already paid.

I agree to notify Blue Cross immediately of any change in my health condition between the date of this application and the effective date of coverage. Failure to notify Blue Cross of any change in my health condition may result in the denial of a claim(s), rescission of the contract or the issuance of a contract amendment.
