

HealthPartners Empower Individual Plan

2010 Single Rates - rates for April 1, 2010 through March 31, 2011

This rate sheet lists rates for the HealthPartners Empower Individual Plan. Use the following pages to find your rates.

Rates are available for either tobacco-free applicants or applicants who have used tobacco or a tobacco cessation product in the past 12 months. You may also choose to have coverage for chemical dependency.

Please keep this rate sheet for future reference. When you have a birthday that places you in a new age category, your rate will be adjusted accordingly the month after your birthday. You will not receive additional notification.

If your contract status changes from Single to Family during the year, you will be moved to a Family rate structure and your rates may change.

If you have questions or need help estimating your rate, call HealthPartners Individual Sales at 952-883-5599 or 1-877-838-4949. TTY users call 952-883-5127 or 1-800-443-0156.

HealthPartners Empower Individual Plan

2010 Single Rates - rates for April 1, 2010 through March 31, 2011

This rate sheet lists rates for the HealthPartners Empower Individual Plan. Use the following pages to find your rates.

Rates are available for either tobacco-free applicants or applicants who have used tobacco or a tobacco cessation product in the past 12 months. You may also choose to have coverage for chemical dependency.

Please keep this rate sheet for future reference. When you have a birthday that places you in a new age category, your rate will be adjusted accordingly the month after your birthday. You will not receive additional notification.

If your contract status changes from Single to Family during the year, you will be moved to a Family rate structure and your rates may change.

If you have questions or need help estimating your rate, call HealthPartners Individual Sales at 952-883-5599 or 1-877-838-4949. TTY users call 952-883-5127 or 1-800-443-0156.
