

HealthPartners Traditional Individual Plan

2010 Rates - rates for April 1, 2010 through March 31, 2011

This rate sheet lists rates for the HealthPartners Traditional Individual Plan. Use the following pages to find rates for you and your family.

Rates are available for either tobacco-free applicants or applicants who have used tobacco or a tobacco cessation product in the past 12 months. You may also choose to have coverage for chemical dependency.

Please keep this rate sheet for future reference. When you have a birthday that places you in a new age category, your rate will be adjusted accordingly the month after your birthday. You will not receive additional notification.

Covering Dependents

You may cover dependent children ages 24 or younger using these rates. Premiums are charged for a maximum of three children on a family contract. A family contract covers at least one adult policyholder and one or more dependent children.

If you are applying to cover only dependent children, use the age 0-29 rate for the first child. Additional children will be charged the dependent children rates. Premiums are charged for a maximum of three additional children.

If you have questions or need help estimating your rates, call HealthPartners Individual Sales at 952-883-5599 or 1-877-838-4949. TTY users call 952-883-5127 or 1-800-443-0156.

HealthPartners Traditional Individual Plan

2010 Rates - rates for April 1, 2010 through March 31, 2011

This rate sheet lists rates for the HealthPartners Traditional Individual Plan. Use the following pages to find rates for you and your family.

Rates are available for either tobacco-free applicants or applicants who have used tobacco or a tobacco cessation product in the past 12 months. You may also choose to have coverage for chemical dependency.

Please keep this rate sheet for future reference. When you have a birthday that places you in a new age category, your rate will be adjusted accordingly the month after your birthday. You will not receive additional notification.

Covering Dependents

You may cover dependent children ages 24 or younger using these rates. Premiums are charged for a maximum of three children on a family contract. A family contract covers at least one adult policyholder and one or more dependent children.

If you are applying to cover only dependent children, use the age 0-29 rate for the first child. Additional children will be charged the dependent children rates. Premiums are charged for a maximum of three additional children.

If you have questions or need help estimating your rates, call HealthPartners Individual Sales at 952-883-5599 or 1-877-838-4949. TTY users call 952-883-5127 or 1-800-443-0156.
